

RISK MANAGEMENT POLICIES OF SIGMA PHI EPSILON FRATERNITY

Sigma Phi Epsilon cares about the safety and well being of its members. Members of SigEp take a ritual oath to exhibit respect, care and concern for themselves and others. Fulfilling this oath ensures all members have a rich and meaningful SigEp experience.

SigEp is committed to eliminating risky behaviors associated with alcohol and drug use, hazing, sexual abuse and physical assault and has adopted the following risk management policies. These policies apply to all Fraternity entities and all levels of Fraternity membership.

Failure to comply with these policies signifies a conscious decision to forfeit insurance coverage and can result in individual and chapter disciplinary action, including charter revocation. All members and volunteers should review the following policies carefully.
