

2022 Founders Day of Giving Rules

The chapter challenge winners will be (1.) the chapter with the most unique individual donors, and (2.) the chapter that raises the most dollars. Gifts of any amount are welcome; donors must give a minimum of \$5 to be counted in the chapter challenges. Donors must self-select the chapter or team (ie. SigEp Sweetheart or Friend of SigEp) for which their gift will be credited. Each donor may only be credited for a chapter once. The winners will be the chapter with the (1.) most donors and (2.) the highest total dollars through 2:59 a.m. EST on Nov. 3.
