

## SigEp 2022-2023 Chapter Services and Support

### People

*Recruitment of the right people through the right process and surround them with the right volunteers*

- *Consult with chapter officers and volunteers to analyze recruitment performance and develop action plans geared towards improvement*
- *Empower and train volunteers to support a healthy chapter experience and mentor undergraduates*
- *Coach and assist chapters to use the Balanced Man Scholarship, values-based recruitment and year-round recruitment to develop a pipeline of diverse potential new members and grow the chapter membership*

### Experience

*A life-changing opportunity afforded through the Balanced Man Program and national leadership events that build balanced leaders for the world's communities*

- *Provide coaching to VPMDs, development committees and volunteers to create valuable programming and build a fulfilling lifetime experience*
- *Support strong leadership development by promoting SigEp programs and events and establishing volunteer-led transition retreats*
- *Assess current Sigma, Phi, Epsilon and Brother Mentor challenges and educate leaders on the execution of a successful Balanced Man Program and utilizing the BMP app.*

### Environment

*A place and culture for members to build healthy, life-long relationships in SigEp Learning Communities.*

- *Train chapter leaders on crucial conversations and holding members accountable to membership expectations as set forth in the Ritual and Guide*
- *Educate chapters on the value of the annual brotherhood questionnaire and how to incorporate the results into improving the chapter environment*
- *Strategize with chapters to develop SigEp Learning Community programming, facilitate a strong partnership with the university and seek accreditation to become the best student organization on their campus*
