

**Resolution #GCC21-7**  
**Charge to Study & Improve AVC Diversity**

**WHEREAS**

Sigma Phi Epsilon has always been an organization that strives to improve measures of diversity, equity, and inclusion; and

**WHEREAS**

Sigma Phi Epsilon provides each undergraduate chapter with an Alumni Volunteer Corporation designed to teach, assist, and enhance the undergraduate experience; and

**WHEREAS**

Undergraduate chapters are continually becoming more diverse to reflect a wider range of race, ethnicity, religion, and culture; and

**WHEREAS**

We should always seek to improve the role of the Alumni Volunteer Corporation's ability to enhance the undergraduate experience; therefore be it

**RESOLVED**

Sigma Phi Epsilon's Diversity, Equity, and Inclusion standing committee shall investigate the establishment of minimum diversity requirements across Alumni Volunteer Corporation boards to better reflect the increasing diversity of our undergraduate chapters; and be it

**RESOLVED**

That Sigma Phi Epsilon's Diversity, Equity, and Inclusion standing committee shall research ways to further improve Alumni Volunteer Corporation diversity to create a better understanding of current undergraduate chapters; and be it

**RESOLVED**

That the committee will present its report for a vote by the next Grand Chapter Conclave; and be it

**FURTHER RESOLVED**

That any actions HQ is able to take within its existing purview in the interim to increase diversity in our Alumni Volunteer Corporations to better reflect the makeup of our fraternity, it will.

Committee: Resolution Purple  
Committee Recommends: Pass as amended
