

A Better

Financial Solution

Simplify and take control of your chapter finances with greekbill.

A Solution to Make Your Life Easier

SigEp has partnered with greekbill to offer you a full-service solution to optimize your chapter's financial operation. It will save you time and energy, because it will sync with your SigEp tools, allowing for a seamless experience for your SigEp needs.

The benefits include:

Single Sign On (SSO): One username and password for all SigEp tools. SSO will allow you to seamlessly access greekbill from your Chapter Portal.

Real-time Roster Sync: Updates of member statuses and new members are sent from Chapter Portal's roster management tool to greekbill in real-time. Aligning your roster with your finance tools is crucial to financial success.

Why Choose Us?

Proven Results

With an average collection rate of 98.2%, you will save valuable time and money as a result of increased collections, so you can spend more time on the best parts of brotherhood.

24/7 Commitment

Greekbill operates not only as a partner, but an extension of your organization. We provide 24/7 support, so we are there when you need it most.

No Wait Time

Choose greekbill today and you can start using it tomorrow. There's no waiting to implement your solution.
