

SUPPORTING THE CHAPTER EXPERIENCE

CHAPTER LEADERSHIP ENDOWMENTS

OUR UNDERGRADUATE BROTHERS REMIND US every year that their experiences at SigEp leadership programs are life changing.

"I feel as though I have a deeper understanding of who I am as a leader. I have a more awakened understanding of how people work, and how they respond to criticism or encouragement. This has led me to work one-on-one with brothers and develop deeper connections."

93% Reported an increase in their ability to assess the quality of their chapter experience.
— CARLSON LEADERSHIP ACADEMY 2018

100% Of undergraduates left the program with an understanding of their leadership strengths and confidence in their ability to lead positive change in their chapter and on their campus.
— RUCK LEADERSHIP INSTITUTE 2018

95% Reported an increase in their ability to execute goals.
— CARLSON LEADERSHIP ACADEMY 2018

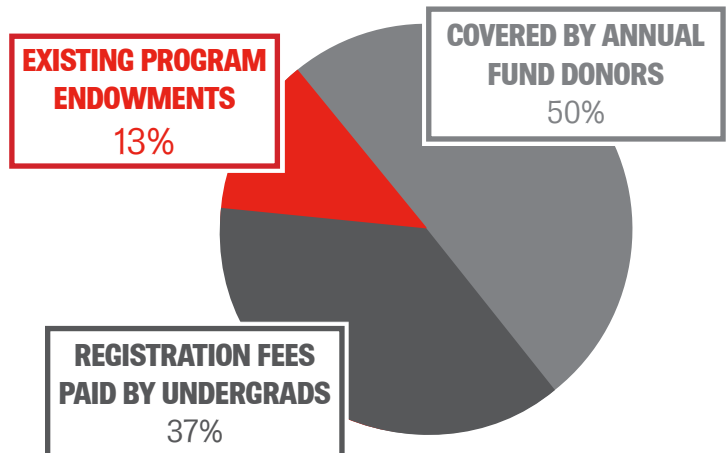

"I came away with a completely different mindset of what leadership is. Leadership is not just about inspiring change or getting a group to accomplish a goal; rather **it's a constant process designed to empower those around you to improve themselves and the organization they represent.**"

WE NEED TO PROTECT THESE LIFE CHANGING EXPERIENCES...

ONLY 13% OF PROGRAM EXPENSES ARE COVERED BY LEADERSHIP ENDOWMENTS. Said differently, only 13% of these experiences are protected by restricted funds.

Chapter Leadership Endowments ensure undergraduate officers and emerging leaders receive leadership and development opportunities throughout their chapter experience.

Funding a chapter leadership endowment significantly reduces the chapter's annual dues and eliminates increasing leadership program registration fees.

OUR YOUNG BROTHERS NEED YOUR SUPPORT

THESE PROGRAMS PREPARE THEM FOR LIFE AFTER COLLEGE

Carlson Leadership Academy

For brothers who have shown a desire to lead their chapter, Carlson offers training in leadership techniques, problem-solving as a team, goal-setting and execution. The academy is facilitated by alumni with years of SigEp involvement and senior leadership experience. Chapter leaders leave with increased knowledge and confidence in their ability to create a positive environment for their brothers to grow.
